

CARERIDE / TEAM 2 / HACKVAN2026

A little help, A way forward.

Connecting people to the care they need.

A community transportation proposal
for people experiencing homelessness
and other vulnerable neighbours.

A little help, A way forward.

Connecting people to the care they need.

- ✓ Free rides to essential services
- ✓ Drivers approved by your organization
- ✓ People at the heart of every journey

THE HUMAN NEED

Care exists.
Getting there is the gap.

01

A place to go

Hospitals, shelters, and essential services.

02

A barrier to cross

No smartphone, limited digital access, or no reliable ride.

03

A person to help

Staff need a clear way to coordinate the journey.

A seat in your car can open a door to care.

THE PROPOSAL

Put the journey in one shared place.

01

Staff request

Arrange a free ride on a client's behalf.

02

Drivers respond

Approved volunteers review and accept eligible rides.

03

Everyone stays informed

Track the journey from request to completion.

A little coordination. A meaningful difference.

HOW IT WORKS

People at the heart of every journey.

**Staff arrange****Drivers offer****Organizations
approve**

Awaiting driver → Driver assigned → On the way → Completed

Every connection is another step toward care.

THE STAFF EXPERIENCE

A ride to care starts with you.

DIGNITY AND ACCOUNTABILITY

Build trust into the journey.

01

Accountable approval

Each organization approves drivers for its rides.

02

Human support

Staff arrange rides and communications for clients.

03

Clear expectations

Planned trips, visible status, and defined destinations.

Drivers approved by your organization.

PROPOSED PILOT / SUBJECT TO PARTNER AGREEMENT

Start small. Measure what matters.

01

Prepare

One willing organization;
named owner; approved
drivers and routes.

02

Run

A proposed four-week pilot
with staff support and a
fallback plan.

03

Learn

Measure completion,
coordination time, and
client/staff feedback.

Small steps. Stronger communities.

Proposed scope; no measured outcomes or confirmed pilot.

BUILT FOR FAITHTECH'S MISSION

Excellence. Impact. Hope.

01

Excellence

Clear, thoughtful tools for the people doing the work.

02

Impact

Reduce friction between a neighbour and essential care.

03

Hope

Turn a willingness to help into a practical next step.

Bring your community.

THE INVITATION

Help us make a way forward.

01

Pilot with us

A willing service organization
and an operational lead.

02

Drive with us

Volunteers ready to follow
agreed approval procedures.

03

Build with us

FaithTech mentors and
maintainers for the next
phase.

A little help, A way forward.
Connecting people to the care they need.
